Re: Closing of our El Paso terminal

Effective 3/30/2010, we are officially closing down our El Paso, Texas office. We are sorry for any difficulty this may cause your operation but feel this is a move we must make during these difficult financial times. If you need help in moving your freight in the greater El Paso area, please contact our partners in El Paso, Focus Logistics at 877-924-3600. Once again thank you for trusting us with your freight over the past year in El Paso , and if you have any questions or comments about this closure please feel free to contact myself anytime.

Thank You

Matt Culp

Regional Manager
